

Our Daily Routine

9am /12:35pm

The children arrive, remove their coats and join their friends in free flow learning in the classroom. Activities that children have free access to include water play, sand play, dough, painting and sharing books, as well as a role play home area, a small world and construction area, and an adult led activity.

10:30am/2pm

We split into two key groups (our key workers are Miss Gauntlett and Mrs O'Rourke). The children wash their hands ready for snack, and then move to the group time room for our 'Hello' song, a snack and a small group activity. The other key group continue with their free flow learning. Half way through this time the groups swap over.

11am/2:30pm

We return to free flow, and the children are given a chance to play outside.

11:50am/3:25pm

We go to the group time room as a class to sing the 'Well Done' song. We give out stickers and certificates and say good bye to everyone before home time at 12pm/3:35pm.
